Our Community demands the best service we can provide, so we continually search for candidates who have a strong desire to make a positive impact on it. The Stanislaus County Sheriff's Department offers multiple career opportunities in an organization that maintains Pride in Service, Dedication to Duty and Excellence in Performance.

Our state of art coroner's facility was dedicated in November of 2015. This 9,000 square foot facility has a large main autopsy room with advanced filtration and odor mitigation. It includes hospital grade lighting with a high definition camera system. In addition, we have a separate isolation autopsy room and another dedicated operating room for tissue recovery.

Our facility stands out above and beyond other coroner facilities in California as it was designed with comfort and convenience in mind. We have a large main cooler, smaller secondary, and a separate freezer. There is a dedicated laboratory room onsite with a histology station and workspace for our Forensic Odonatologist. Pathologists have their own private office and dedicated dictation room. As a convenience, we have a 2,000 square foot fitness facility onsite.
