

Stanislaus County Application Process

step 1 Search Current Openings

Use the search bar to find the position you're looking for and make sure you meet the minimum qualifications (MQs) by checking the education and experience requirements.

step 2 Update Your Application

Each time you apply, update your application with accurate employment dates, skills, and experiences. Be sure to highlight how your education/experience meets both the MQs and desirable qualifications, if applicable.

step 3 Apply to the Position

To apply, fill out an application in NeoGov; we do not accept resumes. We screen your qualifications based on your application, so be sure to include all your relevant experience show how your work history connects to the job's needs.

step 4 Submit & Check Status

You must submit your application before 5pm on final filing date. Once you've submitted your updated application, you'll receive a confirmation email. We'll let you know if your application meets the MQs within 5-7 business days after the final filing date.

Pro Tip! Applications must be completed in full, with proof of education attached when required. A resume alone will not be accepted in place of a completed application.
