Stanislaus County Health Services Agency

Chief Therapist (Manager III)

$67,163.20 - $100,734.40 Annually

Applicants are encouraged to apply immediately as this recruitment may close at any time.

Stanislaus County invites qualified candidates who are experienced in physical and/or occupational therapy to serve as the Chief Therapist (Manager III) for the Health Services Agency.

The Manager of California Children’s Services—Medical Therapy Unit (CCS-MTU) for the Health Services Agency reports to the Public Health Director and is responsible for the direct and indirect management, supervision and coordination of the CCS-MTU Department located at Sonoma School.

This leadership position is expected to lead the CCS-MTU department with vision and competence, focusing on staff career development and customer service. This individual will work directly with the Public Health Team and other Health Services Agency management to develop strategic directions for the division and will be expected to hold themselves accountable for achieving results.
ABOUT THE COMMUNITY

Stanislaus County is located in Central California within 90 minutes of the San Francisco Bay Area, the Silicon Valley, Sacramento, the Sierra Nevada Mountains and California’s Central Coast. With an estimated 538,388 people calling this area home, the community reflects a region rich in diversity with a strong sense of community. Two of California’s major north-south transportation routes (Interstate 5 and Highway 99) intersect the area and the County has quickly become one of the dominant logistics center locations on the west coast.

The County is home to a vibrant arts community with the world-class Gallo Center for the Arts, a symphony orchestra, and abundant visual and performing arts. Stanislaus County is a global center for agribusiness, positioned by its mild Mediterranean climate, rich soils and progressive farming practices.

The area is recognized internationally for agricultural innovation with wine, almonds, poultry, milk, cattle, and walnuts being some of the featured industries. The County is also home to Stanislaus State University, Modesto Junior College and benefits from satellite locations of other high-quality educational institutions. The County was established in 1854 and has a total land area of 1,515 square miles. Temperatures range from an average low of 38 degrees Fahrenheit in the winter to an average high of 85 degrees in the summer. Temperatures move up into the 90s during the summer months with low humidity and cool evening breezes from the San Joaquin Delta.

ABOUT THE HEALTH SERVICES AGENCY

The Health Services Agency (HSA) is a network of outpatient medical programs and services focused on improving the health and well-being of the County residents. It is comprised of: federally qualified clinics with seven clinic locations throughout Stanislaus County, the Valley Consortium for Medical Education (VCME) - family medicine residency program, administrative/operational services and the Public Health Division. The California Children Services Medical Therapy Program resides within the Public Health Division and is responsible for ensuring children with special medical needs receive the treatment and medical services they need.

HSA holds strongly to its vision of "Healthy People in a Healthy Stanislaus" by developing its services with the community, in ways that support community need.

ABOUT THE POSITION

Under the Direction of the Medical Consultant/Director of California Children’s Services (CCS) and Public Health Associate Director, the Chief Therapist directs, manages, supervises, and coordinates the activities and operations of the Medical Therapy Program (MTP) within the CCS program as prescribed by State regulations and in consideration of the therapy need of the MTP eligible children of Stanislaus County; and coordinates assigned activities with other divisions, departments, outside agencies, and the general public.

The Medical Therapy Program within the local CCS Program provides physical and occupational therapy services to eligible children with physical disabilities and often accompanying complex medical diagnoses. Under the general direction of the California Children’s Services Program Medical Consultant/Director, the Chief Therapist position oversees the day-to-day operation of the Medical Therapy Unit (MTU) and associated satellite sites. The California Children’s Services Medical Therapy Program Chief Therapist manages activities of physical and occupational therapists and support staff; implements and evaluates the MTP as a whole; acts as MTP liaison to State CCS/MTP, school and health care community partners working with special needs children.

This recruitment is being conducted to fill a vacancy at the Health Services Agency Public Health Division, and to establish an eligible list that may be used to fill future full-time vacancies throughout Stanislaus County. While this is a continuous recruitment, we encourage you to apply immediately as this recruitment may close at any time.
